Rachel Dunn Chocolates

This Concord-based chocolatier has been a local favorite for years, and while she's famous for the enormous caramel-covered "Unbelievable Apple," Rachel Dunn has long made some of the most delicious local artisan chocolates (her Dark Honeycomb Chocolate was one of our [101 favorite bites in the East Bay](#)). *1021 Detroit Avenue, Concord, (925) 798-4321, racheldunnchocolates.com.*

Valentine's Day Special: Along with Valentine's Day assorted chocolates, this year Rachel Dunn is debuting a special series of decadent chocolate bowls, individually decorated, filled with the chocolate of your choice, and wrapped in a red box with ribbon.
